Civil Action No. 1:23cv0108 (LMB/JFA)

ORDER

Having reviewed plaintiffs' notice of intent to respond and/or object to requests to seal exhibits and/or deposition testimony filed on September 9, 2025 (Docket no. 1697), it is hereby

ORDERED that the orders entered on September 8, 2025, relating to certain third parties' motions to seal (Docket nos. 1688-1695)¹ are hereby vacated. Plaintiffs have indicated that they will be filing responses to the various motions to seal on Friday, September 12, 2025. The court will rule on the pending motions to seal once plaintiffs have filed their responses. Plaintiffs' responses to each individual motion should address whether the position they are taking as to the specific information sought to remain under seal by each third party is consistent with their position in the liability trial and, if not, provide specific reasons for that change in position.

Entered this 10th day of September, 2025.
